**REACH
OUT
AND**

TOUCH

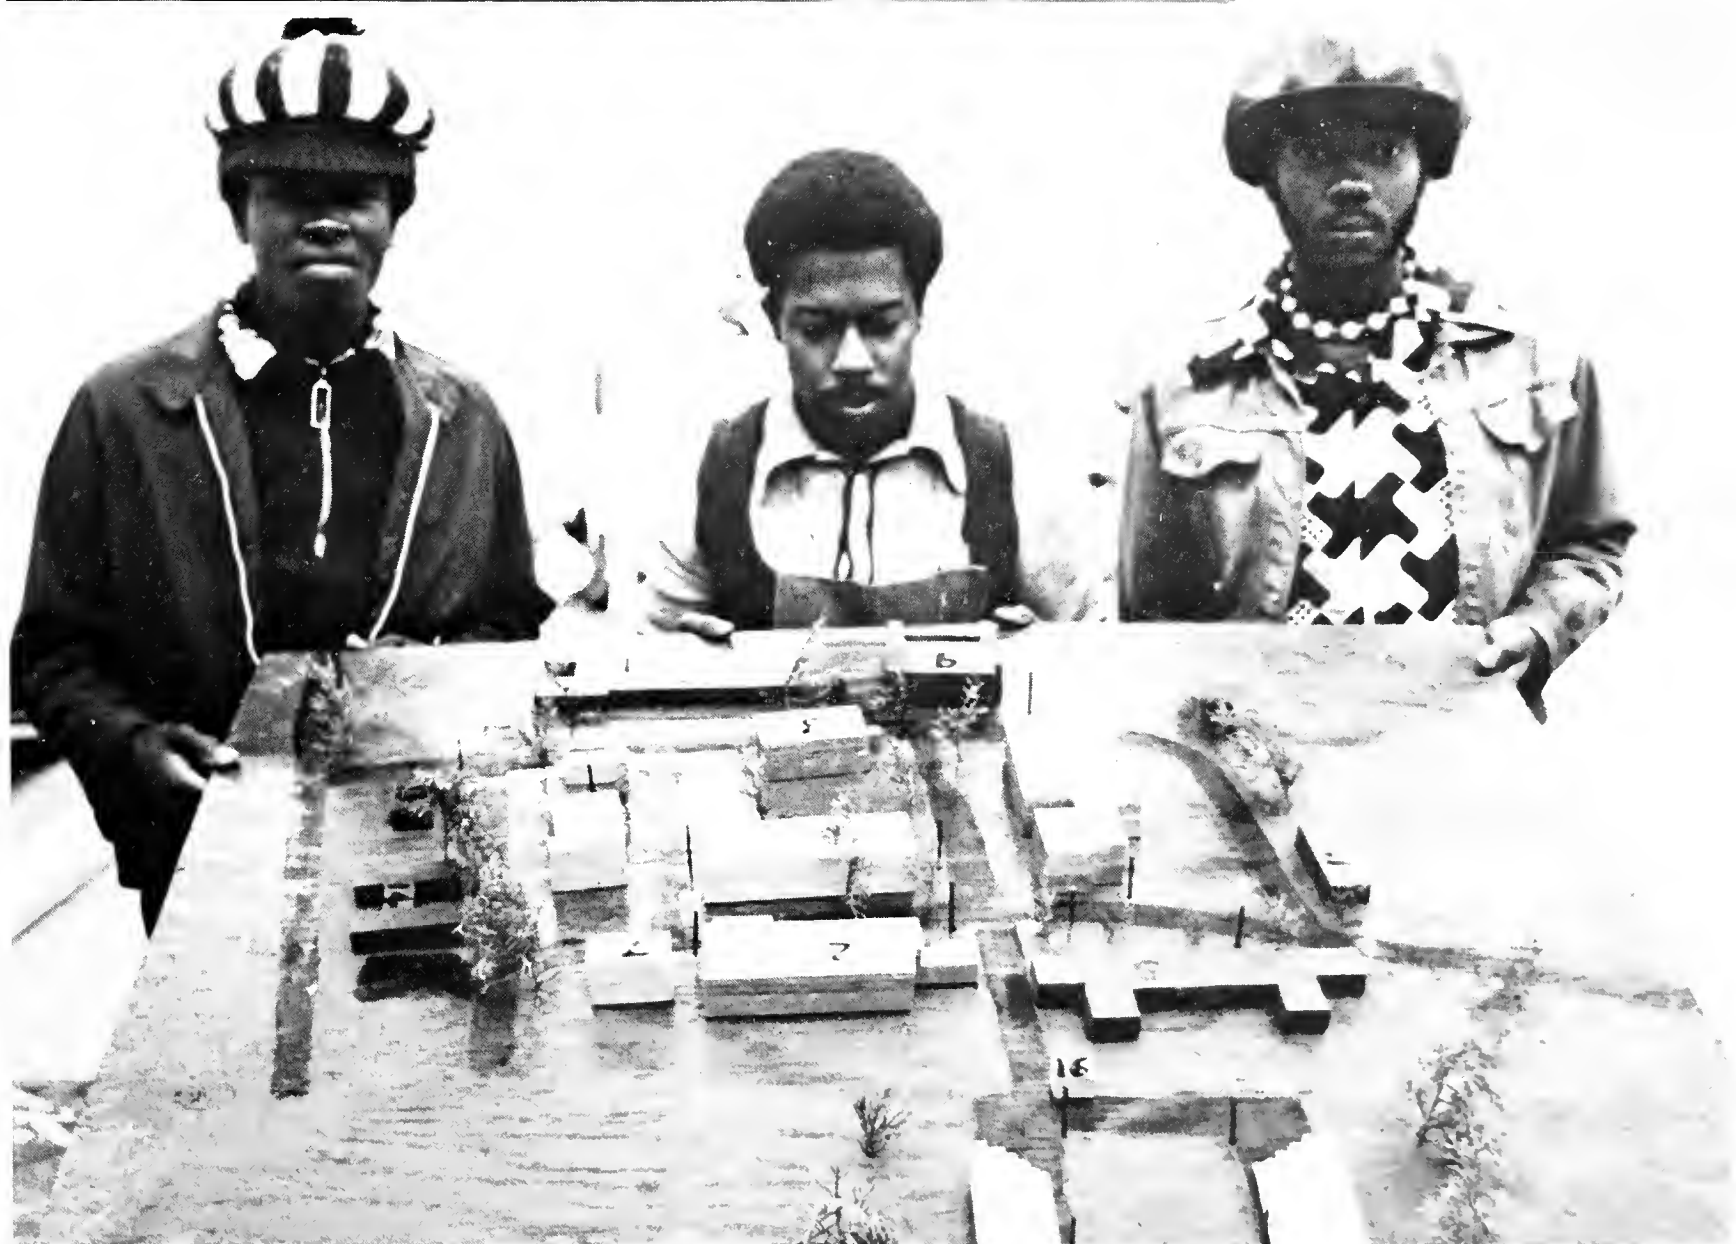

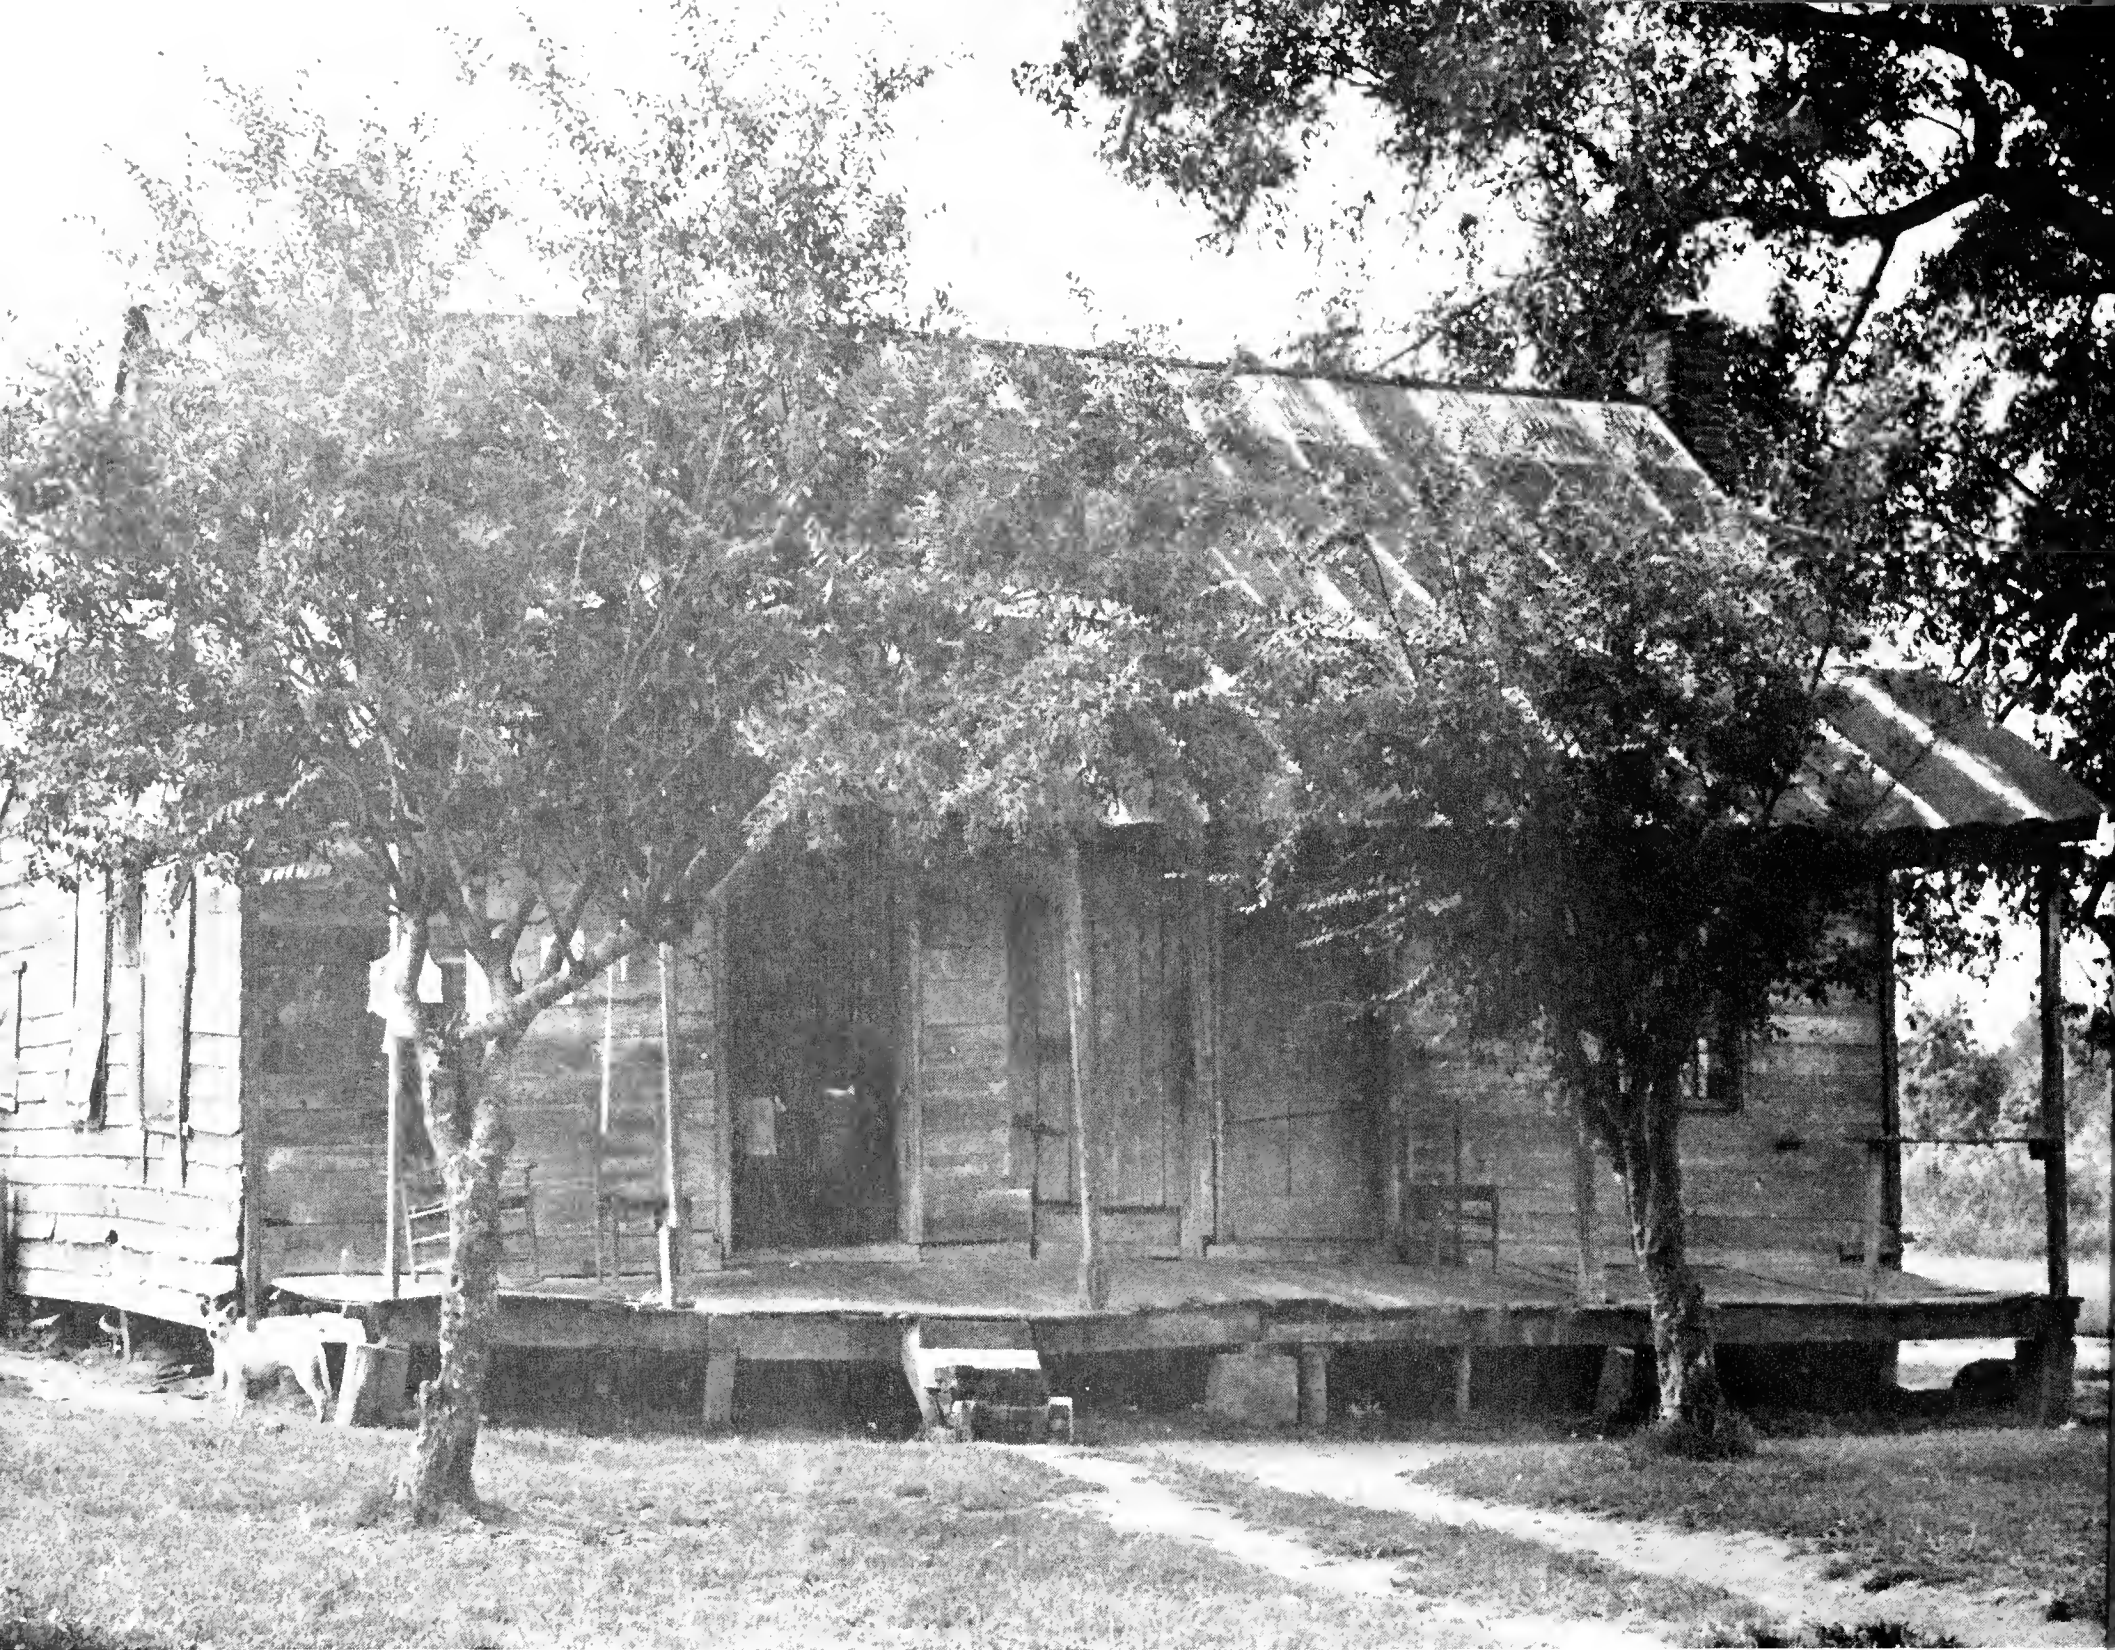

Reach out and touch
somebody's hand and
make this world a
better place, if you
can

Take a little time
out of your busy day
to give encouragement
to someone whose lost
his way, would I be
talking to a stone
if I asked you to
share a problem that's
nbt your very own.

WE CAN CHANGE THINGS

Human existence is more than struggling, its more than just subsisting, it should have some measure of peace, pleasure and "worldly goods" now.

WE CAN CHANGE THINGS

Through education and touching people lives through the riches that comes from knowledge and work, we must change things.

REACH OUT TOUCH

We can change things,
if we start giving,
so why don't you . . .
reach out and touch
somebody's hand, make
this world a better
place if you can

If you see an old
friend on the street
and he's down, remem-
ber your shoes might
fit his feet.

Try a little kindness and I'm sure you'll see, that it comes so very naturally.

Do What You Can --
Don't Pass
The Buck.

We can change things
if we start giving,
so why don't you
so why don't you . . .
reach out and touch
somebody's hand make
this world a better
if you can.

COLLEGE DEDICATION

MRS. KATIE PRICE

Beauty is power; a smile is its sword.
Charles Reade

When one exemplifies individuality, exudes a strong personality, portrays a distinct character and has a smile that would brighten up any day, she is a paragon of beauty and power. Because she possesses all of these qualities and more, the annual staff proudly dedicates this '75 *Uticanite* to Mrs. Katie Price, a lady in her own right.

HIGH SCHOOL DEDICATION

Charles Bell

We the Bullpups of Hinds County Agriculture High School want Mr. Charles E. Bell to know how much we appreciate his interest in the growth and development of the school we love so well.

For exemplifying such fine qualities of leadership, scholarship and citizenship, we dedicate this memorable treasure to him.

We cherish the hope that his interest in us will continue to manifest.

We are certain our teachers and staff join us in citing this expression we take from Ralph Waldo Emerson: "A friend may well be reckoned the Masterpiece of Nature."

UTICA *Junior* COLLEGE

UTICA, MISSISSIPPI 39175

OFFICE OF THE PRESIDENT

February 14, 1975

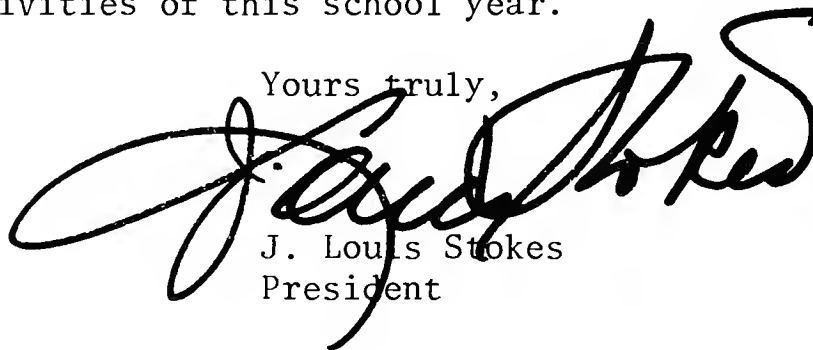

Dear Faculty, Students and Friends:

The yearbook committee has selected a very humane theme for this year, "Reach Out and Touch." Such a theme expresses the role of our institution. This institution "reached out and touched" many lives this year through the various departments and functions of the college and high school, as is shown throughout the pages of this publication.

In times such as these, when civil action is being taken to restructure higher education, the educational institution, indeed the whole educational community, must translate "ivy tower" concepts to practical application methods more directly related to the "Reach Out and Touch" idea. Utica Junior College's existence is explicitly attached to the betterment of the community it serves, and, therefore, we are proud to have one of our major publications boldly and unequivocally state this connection. It is our sincere hope that all of us will be inspired by the theme to make this concept a part of our daily lives.

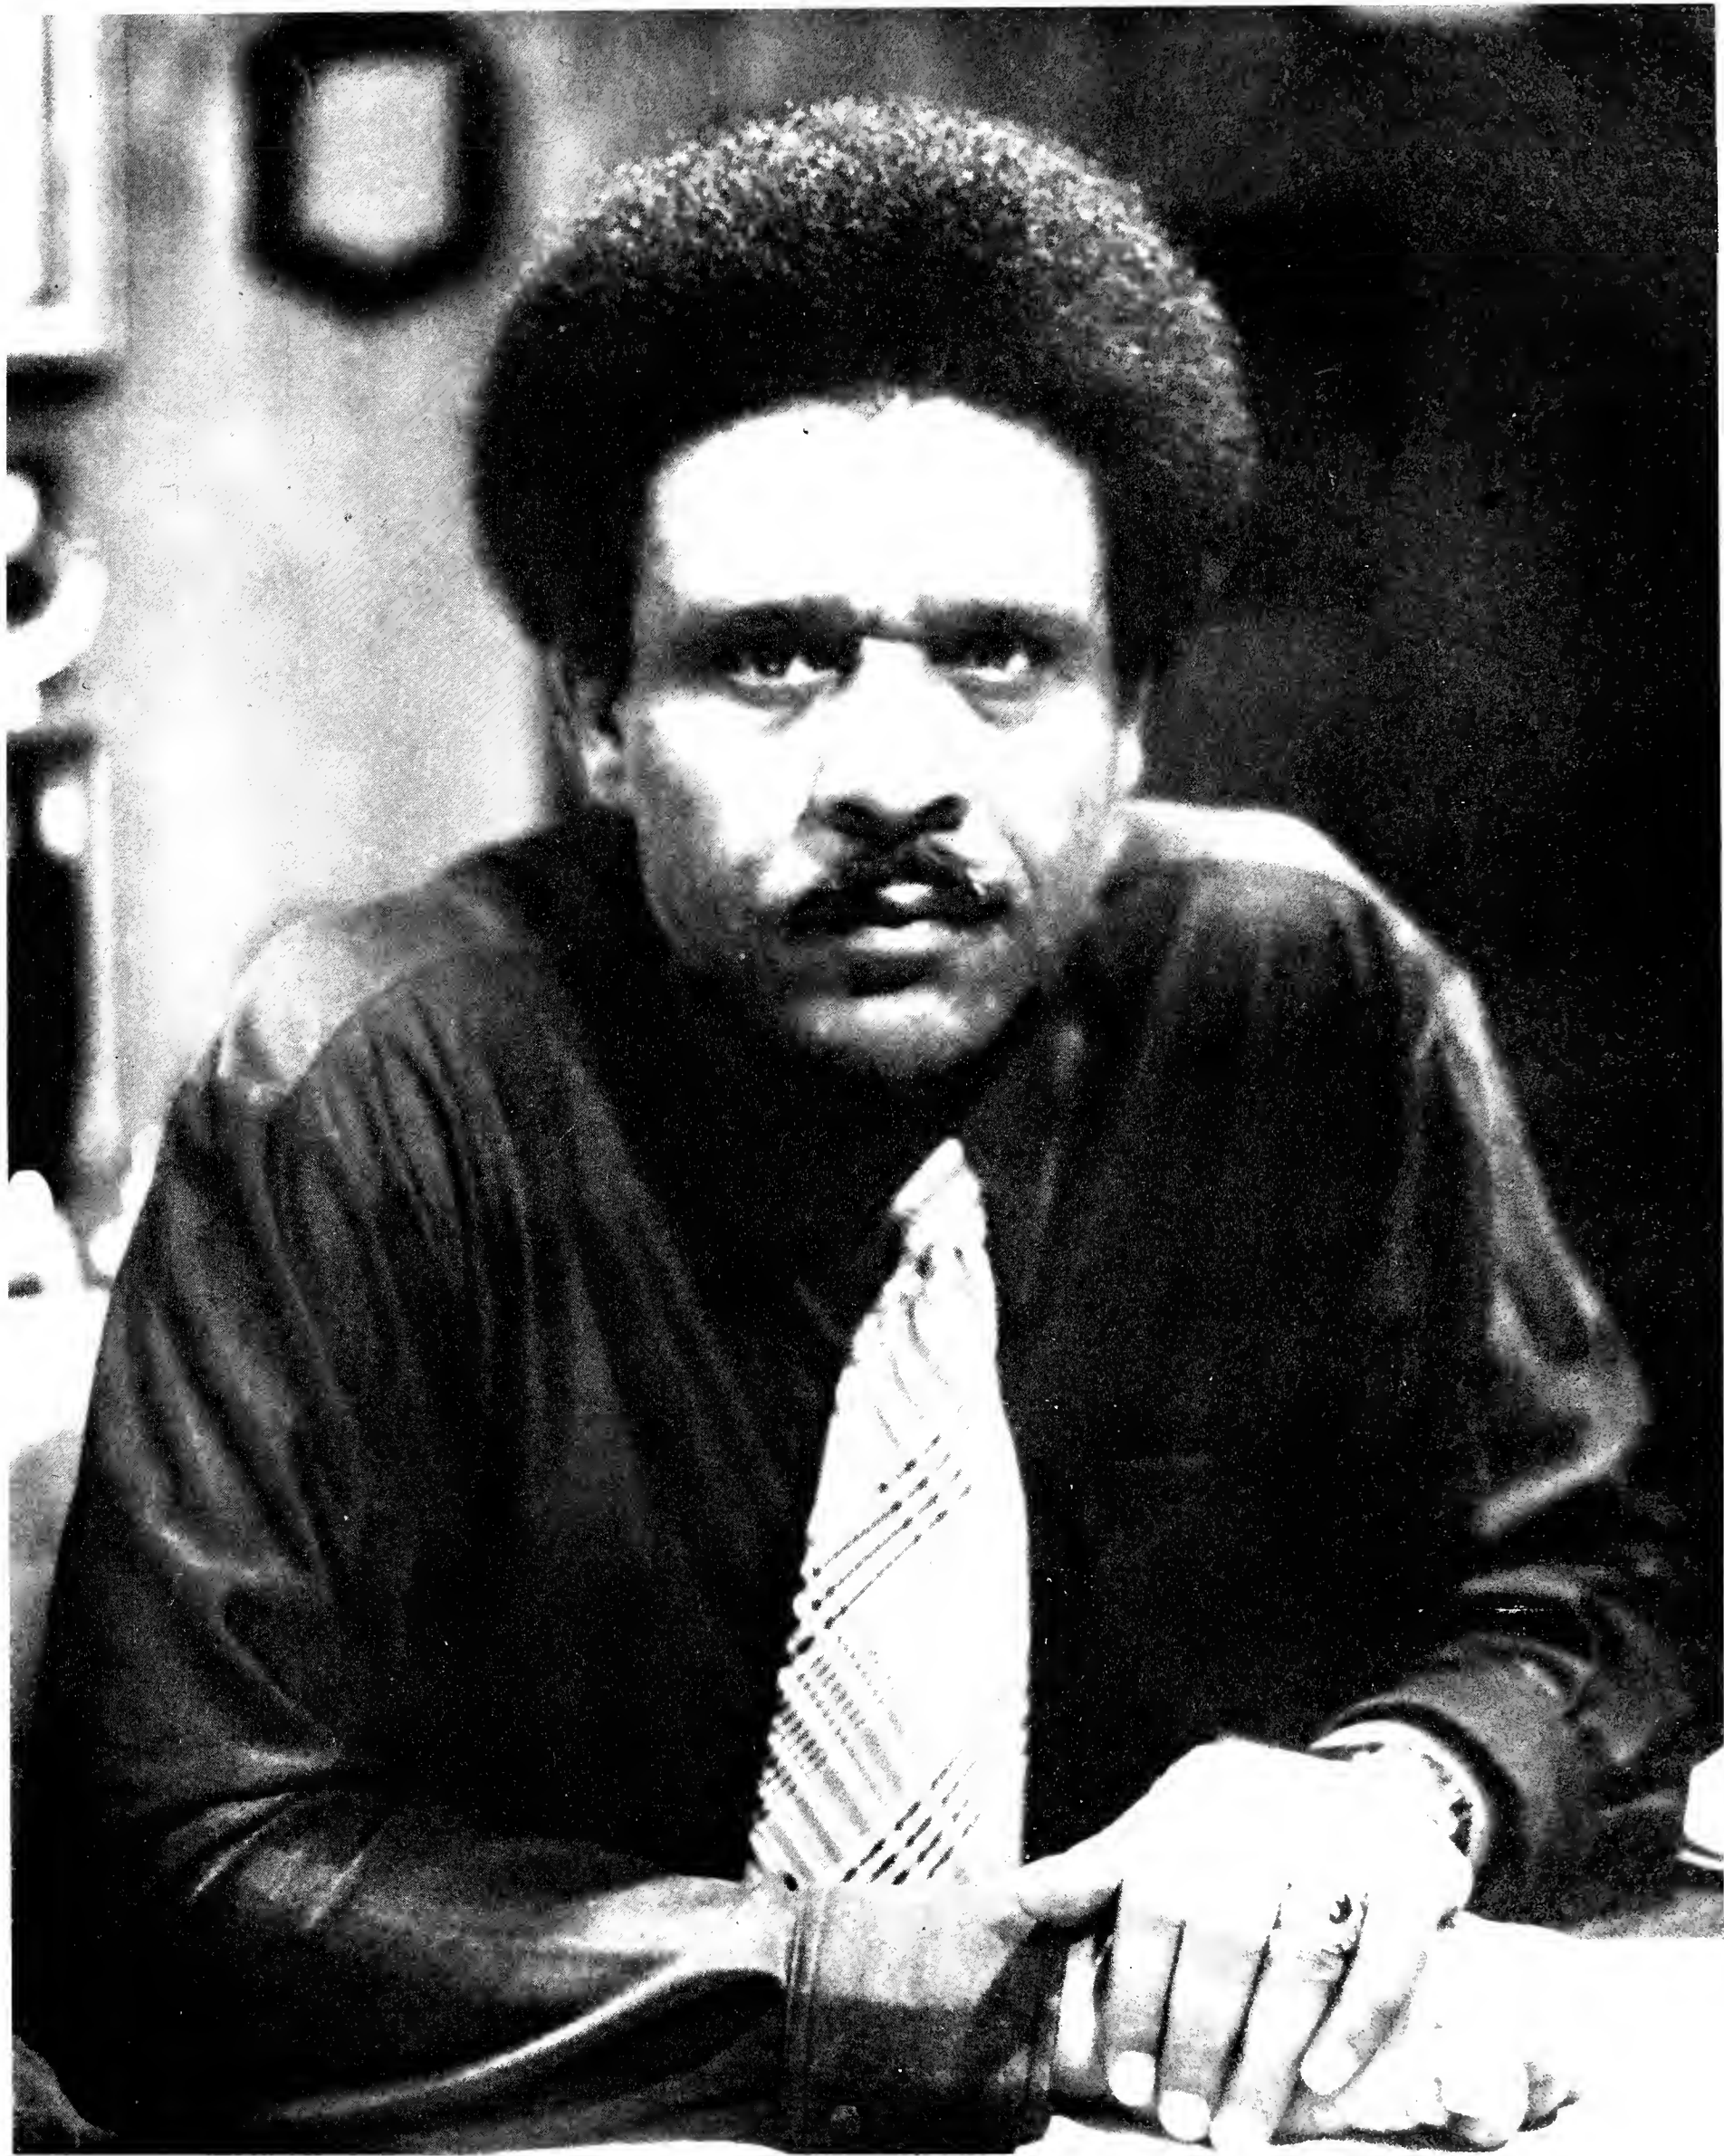

Our congratulations are extended to those responsible for the compilation of the activities of this school year.

Yours truly,

J. Louis Stokes
President

IN MEMORIAM OF

ROBERT SHOULDERS
LUCIOUS WOMACK
CHESTER BISHOP (Hinds AHS)

The hour glass of time has again slowly but surely spilled its contents and with it's passing of the last sand, went the lives of our dear friends and classmates.

For men death comes at all ages and all seasons. The cradle is God's childhood, and youth, the prime of manhood and womanhood is His. He blights the freshness of hope and promise and clothes in the garment of the grave those bound most closely by the ties of life.

Death sends no summons, but gloats unseen on the breeze. It comes without reckless footsteps to all. Thus it came during the 1974-75 school year at Utica Junior College to several of our beloved classmates and friends.

The Utica Junior College family extends their deepest sympathy for the loss of these fine students. It has already become evident that they will be missed by many.

EDITORS MESSAGE

UTICANITES:

I sincerely hope that as you turned the pages of this yearbook you recaptured the thrill of your victorious achievements, endeavors, and the agony of your failures, the pleasant moments and not so pleasant ones shared with old friends and new acquaintances.

The entire annual staff hope that these memories will "Reach Out and Touch" the year that was 1975.

Special thanks are extended to the people who made the publication of the Uticanite possible. The staff of the Uticanite would like to commend our advisor, Mr. Clay, for helping us present new ideas and materials and Mr. Porter our photographer.

Affectionately yours,
Bobby Kinnard
